

**Bulletin #2008-007     30 – May - 2008**

Subject:

Assigned car numbers

Overview:

Effective immediately, the following rule changes go into effect.

1. Remove Articles 2.1.D.3.e and 2.1.E.3 and their sub-articles in their entirety.
2. Replace Article 2.3 in its entirety with the following:
  - 2.3. ASSIGNED CAR NUMBERS
    - A. Rally America maintains a list of currently assigned car numbers.
    - B. Numbers 1-10 are reserved for use by the previous season's top 10 overall drivers.
    - C. Numbers will be considered unassigned if they have not been used in a Rally America event in the current or previous season.
    - D. Number requests will only be filled upon paid entry in a Rally America event, through the Rally America office.
    - E. Rally America may assign a temporary number to a guest driver.

Rationale:

The current rules for numbers appear in several places and are inconsistent. This rule change corrects these issues and approximately reflects current practice.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
